

The Referral Challenge

The Referral Challenge ("Challenge") allows Participants to win bill credits with successful referrals. Participants must be Existing Customers of Circles.Life.

Duration

The Challenge is valid from 00:00:00am on 4 December 2017 to 11:59:59pm on 31 December 2017 Singapore Standard Time ("Challenge Validity").

Definitions

"Referee" means Non-Customers referred by a Participant.

"Successful Referral" means the Referee has subscribed to Circles.Life service using the Participant's referral code on the Circles.Life website during the Campaign Validity and has received the Welcome Pack by the last day of verification (on 31st December 2017 by 06:30:00 pm Singapore Standard Time). Sign ups made under the Participant's own name, identification document or Circles.Life account are not eligible for the Challenge and do not fall under the definition of a Successful Referral.

"Spamming" refers to when the Participant repeatedly posts their referral code with no intent or positive value other than to disseminate their referral code. This includes but is not limited to posting referral codes on the Circles.Life Facebook Page and any other third-party website of which the Participant is not an owner of.

Eligibility

Only existing Circles.Life subscribers ("Circles.Lifers") who have made less than 10 referrals before the Campaign commencement are eligible to participate in the Challenge.

Rules

Only Successful Referrals are eligible for the Challenge.

The Organizer reserves the right to disqualify anyone deemed spamming.

The Participant can not sell or offer referral codes on any third-party websites, including but not limited to carousell.com, couponation.com.sg, couponbirds.com, and picodi.com.
